

Communication

Date	05 July 2026
Team ID Project	
Name	AI Powered Debt Relief & Financial Recovery Platform
Maximum Marks	1 Mark

Communication Plan

This document describes the communication process followed during the development of the AI Powered Debt Relief & Financial Recovery Platform. Regular team meetings, GitHub collaboration, and progress reviews helped ensure smooth development and timely completion of the project.

S.No	Type	Frequency	Tool	Participants	Purpose
1	Stand-up	Daily	WhatsApp	Harsha, Kalyan	Task discussion
2	Progress	Weekly	GitHub	Entire Team	Review work
3	Bug Fix	As Needed	VS Code	Developers	Resolve issues
4	Documentation	Weekly	Google Docs	Team	Verify documents
5	Demo	Once	Google Meet	Entire Team	Prepare presentation
6	Mentor	As Needed	SkillWallet	Team & Mentor	Guidance

Communication Challenges & Resolutions

Challenge	Resolution
Backend integration	Resolved through GitHub collaboration.
Gemini API configuration	Used fallback engine until API key was configured.
Documentation formatting	Maintained a common SmartBridge template.
